A Fundamental Mission

PBBA offers youth from kindergarten to high school positive learning and team experiences along with the opportunity to create life-long memories. PBBA strives to be the premier provider of youth sports experiences, and seeks to make this experience affordable and available for all interested youth. PBBA's success will reflect the concerted efforts of our youth, parents, coaches, and volunteers who work together to develop athletes as winners on and off the court.

Core Values

PBBA is a Christian faith based program. We purposely seek out wholesome media, positive speakers and dedicated volunteers and incorporate them into our camps, clinics and practices.

PBBA believes that "the kids come first." Their safety and well being are of utmost importance.

PBBA believes in the importance of family. A healthy home is paramount to the success of our kids.
