

WHY WE DO CAMPS

Basketball breaks down into an action-packed team sport that's full of thrills. The focus of PBBA basketball camps is on ball handling, passing, shooting, defense, and rebounding. Your young athletes will put their newly found skills to the test in an end-of-the-week tournament!

Young Athletes Improve Their Game at PBBA Basketball Camps

Does your child constantly bounce a ball around the house? Does your child love to shoot hoops? Is there a basketball hoop bolted on the garage? Do you have to drag your child off the court when it's time for dinner?

If you answered yes to any of these questions, or if you are interested in getting your youngster into this popular sport, PBBA Camps may be a perfect choice for your young athlete. The Biddy Basketball League has been offering basketball for kids since 1951, and they are the leader in sports for kids in both after-school sports programs and day sports camps.

Basketball is a high energy, exciting team sport that builds character and promotes healthy exercise. PBBA Basketball Camps teach basketball skills to children as young as six in a safe, fun environment. Our experienced coaches teach ball handling, passing, shooting, defense, and rebounding, as well as team spirit and good sportsmanship. At the end of the week, the young athletes test their skills in a tournament.

PBBA offers different levels of the basketball camp experience based on age and skill. Small children between the ages of six and eight learn the very basics, while older kids up to the age of fifteen master and hone the skills they have already acquired. The emphasis is on improving a child's game while nurturing enjoyment of the sport and teaching important life skills that the child can use off the courts. Our youth athletes meet new kids in their age groups and make new friends that can last a lifetime.

PBBA Basketball Camps for kids stress safety and positive reinforcement to build a child's confidence and self-esteem. Our coaches are carefully screened and selected on the basis of academic achievement, skill level, and character and our staff members dedicate themselves to providing a safe, positive, fun experience that your child will love.

If you are considering a sports camp for your son or daughter, make PBBA Basketball Camps your choice. Sending your kid to basketball camp will give the dog a break and leave your driveway open so you can wash your car.
